Kamberra Wine Company refurbishes its conference venue

KAMBERRA Wine Company, located 10 minutes from the city centre, recently completed extensive refurbishments to provide a scenic winery setting ideal for all types of functions.

Kamberra Wine Company assistant general manager Will Penny has received great feedback from clients using the refurbished venue for training and development conferences.

"We believe that the four most important features of a training venue are access to full conference facilities, ample free parking, good quality catering and a peaceful setting. This is what we have achieved with our refurbishments over the past year and we have received excellent comments from our clients," Mr Penny said.

The venue offers three mod-

ern rooms with full conference facilities, full-length glass windows and covered verandas opening onto vineyards, gardens and a reflection pond.

It also offers ample free parking onsite.

■ The Devine Room provides a picturesque winery setting complete with an open fireplace, a built-in dance floor, stained glass as well as full-length windows and covered verandas opening onto the vineyards and rose gardens. The room can accommodate up to 300 people standing or 180 people seated.

■ The Meeting Place Room provides tranquil views of the reflection pond and bridge feature. It also includes a large covered outdoor area. The room can accommodate up to 100 people standing or 70 people

seated.

■ The Federation Room is a boardroom-style area with its own open fireplace and covered veranda looking onto the rose gardens. The room can accommodate up to 60 people theatre-style, 30 people cabaret-style and 30 people boardroom-style.

Kamberra Wine Company offers onsite catering for all conferences and functions, with cold lunches starting from \$49 per person and hot lunches from \$59 per person.

Kamberra Wine Company is located on the corner of Northbourne Avenue and Flemington Road, in the northern Canberra suburb of Lyneham.
